

BUILDING THE STEM WORKFORCE

# SULI and CCI Internships

at Oak Ridge National Laboratory

**APPLICATION DEADLINE**  
January 10, 2023 @ 5:00 PM ET

## Looking for a research experience that can open up a world of opportunities?

ORNL, the largest US Department of Energy (DOE) science and energy laboratory, participates in DOE's **Science Undergraduate Laboratory Internships (SULI)** and **Community College Internships (CCI)** programs.

These programs are sponsored and managed by the DOE Office of Science's Office of Workforce Development for Teachers and Scientists in collaboration with DOE national laboratories.

### SULI Program

The **Science Undergraduate Laboratory Internships** program encourages undergraduate students and recent graduates to pursue STEM careers by providing research experiences at DOE national laboratories. Selected students perform research under the guidance of laboratory staff scientists or engineers.

### CCI Program

The **Community College Internships** program encourages community college students to enter technical careers relevant to the DOE mission by providing technical training experiences at DOE national laboratories. Selected students contribute to technologies or instrumentation projects under the guidance of laboratory staff scientists or engineers.
