

# Nuclear Science Summer School (NS<sup>3</sup>)

The Nuclear Science Summer School (NS<sup>3</sup>) is a summer school that introduces undergraduate student participants to the fields of nuclear science and nuclear astrophysics. NS<sup>3</sup> is hosted by the Facility for Rare Isotope Beams (FRIB) on the campus of Michigan State University. The school will offer lectures and activities covering selected nuclear science and astrophysics topics.

## Important Dates

The Deadline for NS<sup>3</sup> Applications is Friday, February 21, 2025
