

# Marine Energy Fellowship

The U.S. Department of Energy's Water Power Technologies Office (WPTO) enables research, development, and testing of emerging technologies to advance marine energy as well as next-generation hydropower and pumped storage systems for a flexible, reliable grid.

The Oak Ridge Institute for Science and Education (ORISE) Marine Energy Fellowship, funded by WPTO, provides funding for current graduate or post-graduates to participate at selected host facilities for up to 12 months.

## Benefits

- Competitive stipend
- Health insurance
- Travel/training allowance
- Relocation allowance

## Appointment Details

Appointments will be served full time, located at a host facility of your choice, conducting research, development, and/or testing on a marine energy topic.

## Contact

[DOE-RPP@orise.orau.gov](mailto:DOE-RPP@orise.orau.gov)

## Eligibility

- U.S. citizen or lawful permanent resident.
- Must be 18 years of age.

## For Graduate Students

- Enrolled in a master's or doctoral program.
- Conducting research in a marine energy topic as part of their thesis or dissertation
- Have a cumulative GPA of 3.00 or higher.

## For Post-Graduates

- Have finished a bachelor's, master's, or doctoral degree within the last 24 months.
