

Free live webinar:  
**Exploring Johns Hopkins Medical Physics Education:  
Training Tomorrow's Leaders in Radiology and  
Radiation Oncology (M.S. and Ph.D.)**

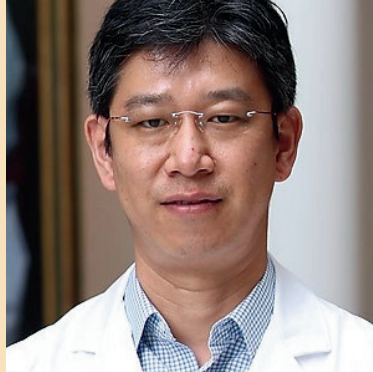

**MONDAY, OCTOBER 21  
2PM EST**

Join us for a webinar on the Johns Hopkins Medical Physics (MP) programs, featuring a CAMPEP-accredited M.S., a newly approved Ph.D. (Fall 2025), and a planned certificate program. Learn about our partnership with Howard University, and hear from current and past students about their experiences. Discover how our programs prepare graduates for careers in both clinical and research settings.
